COMPANY HISTORY

- 1965** The company named 'Kaew Thai Charoen Part.,Ltd.' was established in the areas of 0.4 acre on Petkasem Road, Pasricharoen, Bangkok. Initially, this was a small company, which produced only a minute scale of handmade blowing glassware.
- 1973** The company expanded the factory from the area of 0.4 acre to 2.67 acres and subsequently changed its name to 'Thai Neutral Glass Co., Ltd.' It discontinued the handmade blown glassware products and concentrated on automatic pressed glassware products to support greater demand from the market. The business continued to grow rapidly.
- 1988** The management bought a new piece of land located on Petkasem Road, Omnoi, Kratumban, Samutsakorn, with the area of 6.92 acres. This allowed a greater expansion for the growing business. The new factory started construction and registered its new company under the name 'Luckyglass Co., Ltd.' Since then, the company has continued to improve its quality and product variety to gain the greatest satisfactions from customers under 'LUCKYGLASS', 'LUCKY THAILAND' and 'LG' trademarks.
- 2010** Luckyglass Co., Ltd. has shifted to another phase of expansion by constructing a new production plant in Ratchaburi Industrial Estate, in Ratchaburi province. This new plant covers an area of 16.5 acres. Till today, Luckyglass Co., Ltd. has been developing to be one of the leading glass manufacturers and exporters operating internationally.
