## Noble China Collection

1. A premium Collection of classic and modern shapes with a white Luster brings pure elegance and timeless appeal to the tabletop.
2. A refined and delicate Body which is ultra-light in weight.
3. It also has high level of strength and durability making it ideal solution for professional long-term use.
4. Noble china tableware is also called vegan porcelain because it doesn't contain any animal components
5. Noble china is very resistant, durable and hygienic due to the high firing temperature of over 1400 ° C
6. Lastly Noble china is fire 3 times, once for the material, second for the glaze and finally for the décor.
